We have multi-day options for your winter break activities for your Cub or Webelos Scout. Whether it's only one day or all nine, your son can experience all the fun and fellowship that only a day camp can provide.

We incorporate many of the great museums and sites that Balboa Park offers as well as the award winning Balboa Zoo. (Depending on the day). Back at camp, our Scouts can work on their shooting sports skills, crafts and other scout skills. Snacks are provided, but each Scout must bring their own sack lunch. Tigers may come with adult partner, sorry no Lions.
