1. Additionally, we recommend that international troops fly the flag of their country.
2. Unit numbers may be displayed by using a Troop Flag, signs, rocks, sticks, seashells, etc.
3. Gateways must have two free standing poles with guidelines or two tripods; additionally, a cross section of wood, rope or a banner must be attached.
4. Flagging may consist of duct tape, flagging tape, brightly colored yarn or aluminum foil.
5. All tent flaps must be closed, when not in tent, due to the aggressive mammals we have in camp.
6. A bulletin board can be made of cork, wood, plastic, medal, or cardboard. Place all pertinent information pertaining to your troop on the board, include this campsite inspection sheet.
7. A fireguard chart must be filled out completely. Rakes and shovels should be placed next to the fire ring.
8. Each campsite has a trash can; don't throw trash on the ground or in the FIRE RING. Stow all gear in your tent and hang wet clothes on your clothes line or canopy
9. A camp improvement project or camp decoration needs to be completed daily prior to the inspection. Some examples might include; but are not limited to; gateways, clotheslines, weather rocks, sun dials, monkey bridges, decretive raking, designs made from shells or rocks, and Zen gardens.
